

### Egg 1

Osprey love nothing more than fishing. You're going to get wet as you dive for your fish, find your towel to stay dry, and keep hold of your catch!

### Egg 2

Now you've caught your fish, it's time to head back to the nest. Using your huge wings, can you fly around till you spot it?

### Egg 3

Osprey use their enormous talons to eat their fish, but you will need to go and find something to help cut yours up! What do you use to eat your food?

### Egg 4

Osprey collect sticks of all sizes to make their nest, so they have somewhere to shelter and sleep. Where do you sleep?

### Egg 5

We have to be ever so quiet when watching Osprey, can you tiptoe your way to the bird hide and find your next egg?

### Egg 6

Congratulations, you found all 6 osprey eggs! Just like Osprey, you must have incredible eyesight and hunting skills!
